ABOUT VIETNAM

Vietnam is most loved travel destination, and home to the charming lantern-lit streets of the old town, which lie nestled along the river bank. The Japanese, Chinese and French influences translate back into the street scene where traditional old wooden and yellow colonial buildings sit side-by-side. Not to mention the baguettes being sold on every street corner- yum.

Vietnam has gone to become one of the most popular tourist destinations in the South East Asian region. Tourists from all over the world are visiting Vietnam to explore and experience the pristine beaches, traditional cuisine, wonderful cities and lush landscapes. For those of you who haven't been to the South East Asian region before, Vietnam seems to be the best place to start with.
